No we wont get caught, we already went over this plan a couple times with Noah so calm down.

MARK:

JULIUS:

Calm down your just overthinking.

MARK:

You know how crazy Noah is you never know what he's really up to.

NOAH:

Both of you know I can hear you guys, I'm walking right in front of you guys.

JULIUS:

Mark just stay focused on the plan or you'll ruin it.

MARK:

I'm trying to but I'm still nervous.

JULIUS:

We all are, it's not just you it's my first time too, so we need to stay focused.

NOAH:

Get ready on my cue.
(Opening the door and all three go inside the bank.)

RECEPTIONIST 1:

MARK:

I need all your money.
(Says in a low voice)

RECEPTIONIST 1:

Come Again?

MARK:

Like I said, I'm going to have you put all the money in this bag.
(Pulls out gun and points it at her.)

JULIUS:

Don't try anything funny like calling the cops or try to run, we will shoot.

MARK:

Hurry it up too while your at it, we're in a hurry.
(Throws bag on the counter.)

NOAH:

You heard them; hurry up and the other receptionist open the vault and load the money in this bag I have.
(While jumping onto the counter pointing his gun at the second receptionist.)

RECEPTIONIST 2:

Please don't shoot, I'll do whatever but please don't kill us.

NOAH:

Then take me to the vault and fill this bag I have right away. And no funny moves lady or else your getting it. Also I don't want any fake money with dye packs on it.
(Points the gun next to her.)

RECEPTIONIST 2:

Okay...right this way sir.
(Takes Noah to the back.)

MARK:

Julius do you think he's going to be okay over you know how he is once he gets too excited.

JULIUS:

I think he will be okay; he did plan all this out.

MARK:

We just got to wait here till he returns I hope he doesn't do anything dumb while he's back there. I want to hurry up and leave.

RECEPTIONIST 1:

Please don't hurt us I'm begging you, I have a family.
(Crying and pleading.)

MARK:

Lady rest assured once we're done we will leave so just stay still and don't do anything suspicious.

JULIUS:

He sure is taking his time what's taking so long.
(Looking at his watch.)

NOAH:

Okay let's get out of here I got what I could.
(Comes running out the vault to the front of the bank.)

MARK:

Where's the second receptionist? Don't tell me you shot her or knocked her out.

NOAH:

No I just left her in that room and warned her to stay there.

JULIUS:

Are you dumb at least tie her, don't you remember there is a button, she could have pressed it while we are here chit chatting.

NOAH:

Oh I forgot.

MARK:

What do you mean you forgot, you were the one who planned all this out at least remember the plan now what are we going to do the cops are already coming.

JULIAN:

We just need to hurry up and take what we have and leave instead of arguing.

MARK:

Grab the bags and let's go.
(All grab the bags and start heading to the front.)

NOAH:

Wait we should head out from the back.
(Stops and turns back)

MARK:

What did you say?

JULIAN:

NOAH:

Listen the cops will come from the front like they always do and they will think we have these women hostages.

MARK:
